SUBJECT: (S) IRANIAN PROCUREMENT ENTITY SEEKS DANISH
VIBRATION TESTING EQUIPMENT

REF: STATE 19390

Classified By: A/DCM William Mozdzierz for reasons 1.4 (b), (d), and (h
) .

(S) We discussed reftel non-paper on March 6 with Nikolaj Harris, Danish MFA coordinator for Iran sanctions, and encouraged the Danish Government to take all appropriate measures to ensure that Bruel and Kjaer and other Danish firms are not acting, even unwittingly, as suppliers to FEDCO and affiliates. Harris said that he would discuss our information with appropriate authorities and inform us of their findings. He asked whether the USG would seek to add the vibration testing equipment in question to the MTCR controlled item list. Post would appreciate Department guidance on a response to Harris' questions.
